FIRST BAPTIST CHURCH OF BELTON

HEARTLAND CHRISTIAN SCHOOLS

begins enrollment for the 2012-2013 school year on February 1st. Our school provides a distinctive Christian and Bible based education, combined with outstanding academics. It is private Christian at its best and most affordable. Some of the foremost authorities on Christian schools in our nation have noted the accomplishments of our school, and rank it among the finest private schools in America. We are also one of the most affordable. An education of this caliber can cost parents \$10,000-\$25,000 per year per student. We offer tuition at a fraction of this cost.

I recommend our school without hesitation to any parent who wants exceptional academics, combined with real affordability. Here are some things to remember about our school:

1. We are fully accredited (by the same group that accredits the University of Missouri.)
2. We have the reigning MSHSAA Class I State Scholar Bowl Champions (two years in a row!)
3. The average score, for last year's seniors, on the ACT was 28 (state average was 21.)
4. Almost our entire secondary school (7-12 Grade) tested post high school on the Stanford Achievement Test.
5. 90% of our graduates go on to college, 75% earn a degree.
6. 85% of our graduates are still active in a local church.
7. The Education First Foundation has selected our school as one of the ten best schools in the United States for three consecutive years.
8. We are the only private Christian school in the nation to be chosen to host a Presidential Victory Rally. Presidential Candidate John McCain spoke to 7,000 people on our football field.
9. Our school is truly international with students from twelve different countries.
10. Our school provides free tuition to the children of soldiers assigned to a combat theatre.

You could not choose a finer school for your children. It will be worth the cost and sacrifice to put your child in our school.

God Bless You!
