It is understood that my child's attendance is a privilege and not a right. If at any time his/her conduct, academic progress, or cooperation with the school's authorities is not in keeping with the school's requirements, the school reserves the right to terminate at its discretion any child's enrollment. The school is not able to handle students with police records or those who have used narcotics.

The Bible is very explicit when it comes to disciplining children. Discipline is always given with love and encouragement. Usually, the general instruction of what is expected is sufficient to check misbehavior. If not, a private conference with the child is conducted. Repeated misbehavior will be reported to the parents.

I pledge not to interfere with the school in its efforts to administer discipline to my child in accord with the standards of discipline the school sets for itself. I agree with the school's efforts to train my child in the Bible and will encourage my child in this and in all other phases of the curriculum.

I give my permission for my child to take part in all school activities, including sport programs, and school-sponsored trips away from the school premises.

I/We understand that the Heartland Christian Schools Handbook is a description and official register of Heartland Family Schools and should be considered part of this agreement between parents, students, and the School. [ ] I can access an online copy at www.hfministries.org, or [ ] I request a printed copy.
